

Powering Tomorrow with Reliable Electrical Solutions

TRUSTED MANUFACTURER OF

ACDB, DCDB, Ground Enhancing Materials &
Complete Earthing Solutions.

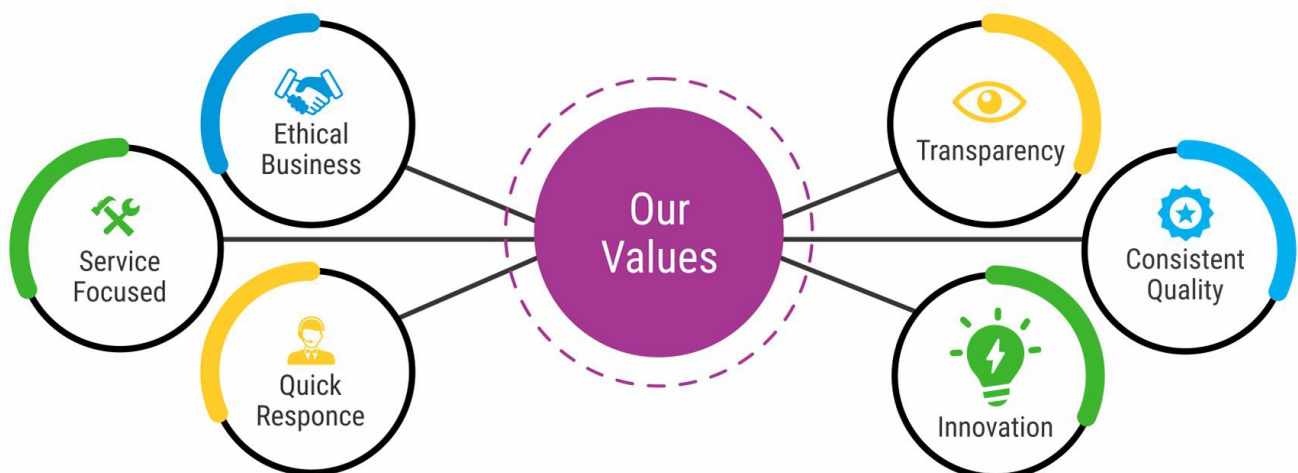

ABOUT US

Powering Safety, Delivering Reliability.

EURONYX POWER is a Trusted Manufacturer and Supplier of High-Quality Solar Components and Earthing Solutions. We Specialize in Designing and Manufacturing **AC Distribution Boards (ACDB)**, **DC Distribution Boards (DCDB)**, **Ground Enhancing Materials (GEM)**, and **Complete Earthing Kit Solutions** for Residential, Commercial, Industrial, and Renewable Energy Applications.

With a strong Commitment to Quality, Innovation, and Customer Satisfaction, our Products are Engineered to meet Electrical Standards, Ensuring Superior Performance, Maximum safety, and long-lasting Durability. Our Experienced team Focuses on Delivering Reliable and Customized Solutions that Support Efficient System Operations and Effective Grounding Systems.

At **EURONYX POWER**, We believe in Building lasting Partnerships by Providing Dependable Products, Technical Expertise, and Exceptional Service that Empower Businesses and Infrastructure Projects Across Diverse Industries.

OUR PRODUCTS

- AC Distribution Boards (ACDB)
- DC Distribution Boards (DCDB)
- Ground Enhancing Material (GEM)
- Complete Earthing Solutions

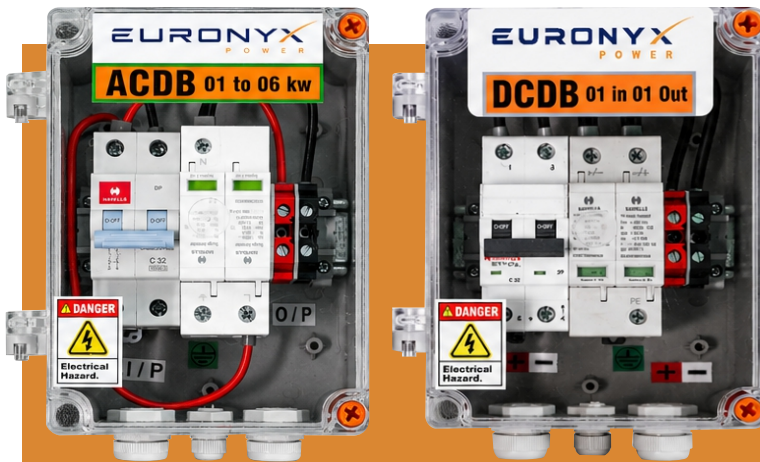

Why Choose **EURONYX POWER?**

- Premium Quality Manufacturing
- Reliable & Durable Products
- Industry Standard Compliance
- Customized Engineering Solutions
- Advanced Manufacturing Facility
- Competitive Pricing
- On-Time Delivery
- Dedicated Technical Support

PREMIUM

ACDB – DCDB

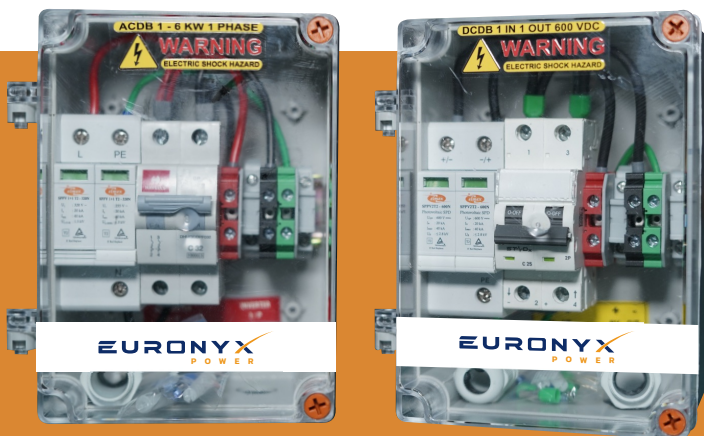

KEY FEATURES

- Complete System Protection
- High-Quality Components
- Weatherproof Enclosure
- Easy Installation

GENERAL SPECIFICATIONS

- Capacity Compatibility : 1 kW to 6 kW
- Input / Output Configuration: 1 Input, 1 Output (for a single string)
- Enclosure Rating: IP65 or IP66 (Dust and waterproof)
- Max Current Rating: 32A
- Operating Temperature: Up to 60° C

KEY FEATURES

- Complete System Protection
- High-Quality Components
- Weatherproof Enclosure
- Easy Installation

ALL SOLAR PRODUCTS AT ONE PLACE.

POWER PANELS & DISTRIBUTION BOARDS UP TO 1 MW

KEY FEATURES

High Durability

Constructed with Robust, High-Quality Materials for Reliable Performance in Tough Environments.

Robust Protection

Equipped with Multiple Protection features Including overcurrent, Short Circuit, and Earth Fault Protection.

Flexible Configuration

Modular Design Allows for Easy Customization and Scaling based on your Needs.

Easy Installation

Compact Design Ensures Space-Saving Installation, Even in Limited areas.

IP Rating

Available in Various IP Ratings to Suit both Indoor and Outdoor Environments.

Compliance

Conforms to IEC, IS and other Safety Standards.

PREMIUM QUALITY SOLAR EARTHING KIT

Complete Protection

Ensures Effective Earthing for Solar Installations, Safeguarding Equipment and personnel Electrical Faults and Lightning Strikes

High Conductivity

Made From high Conductivity Copper for excellent current Dissipation and long-lasting Performance

Weather Resistant

Built to withstand harsh outdoor conditions, ensuring durability and corrosion resistance.

EASY INSTALLATION

Designed for quick and hassle-free installation with strong, reliable connections.

IDEAL FOR SOLAR SYSTEMS

Perfect for rooftop and ground-mounted solar power plants, ensuring safety, reliability and compliance.
